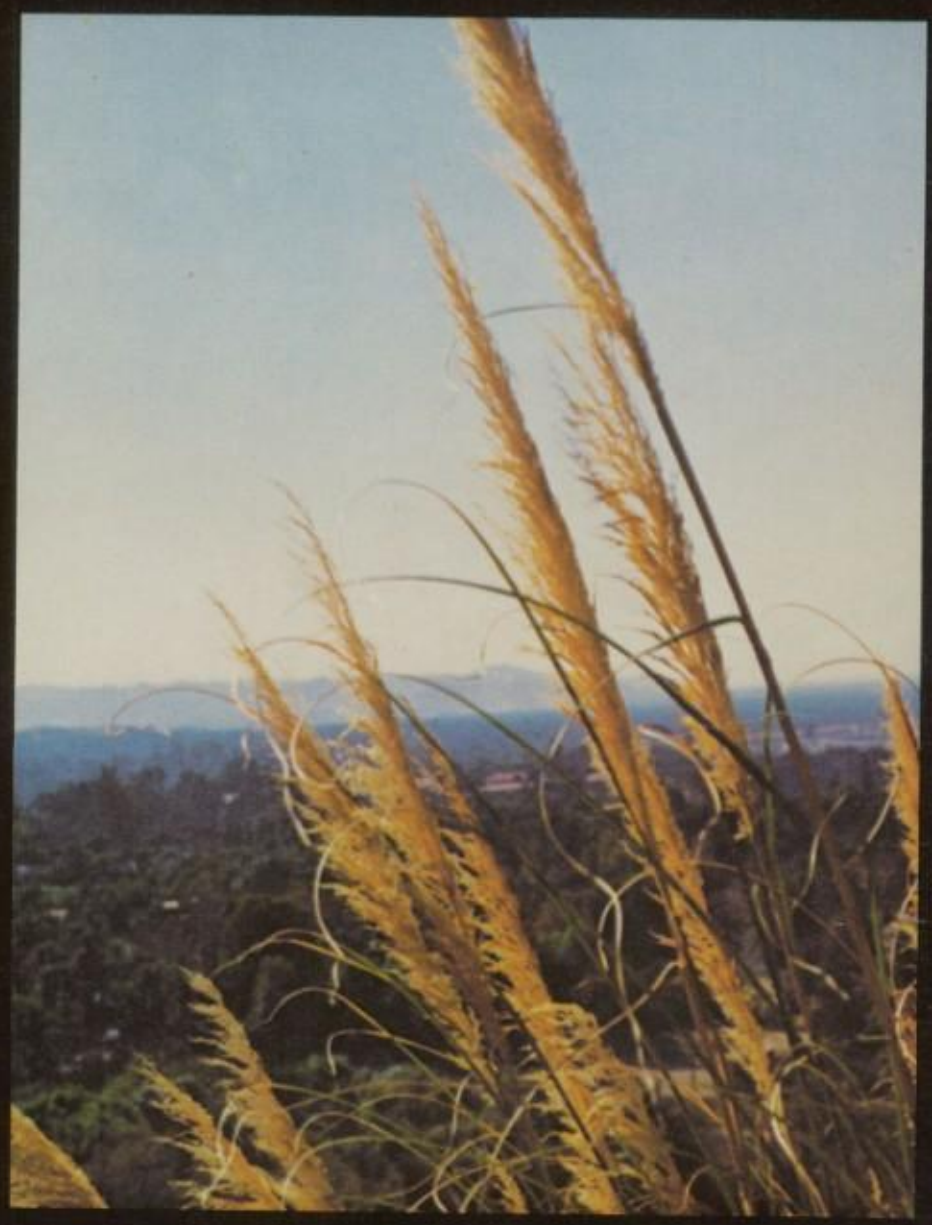
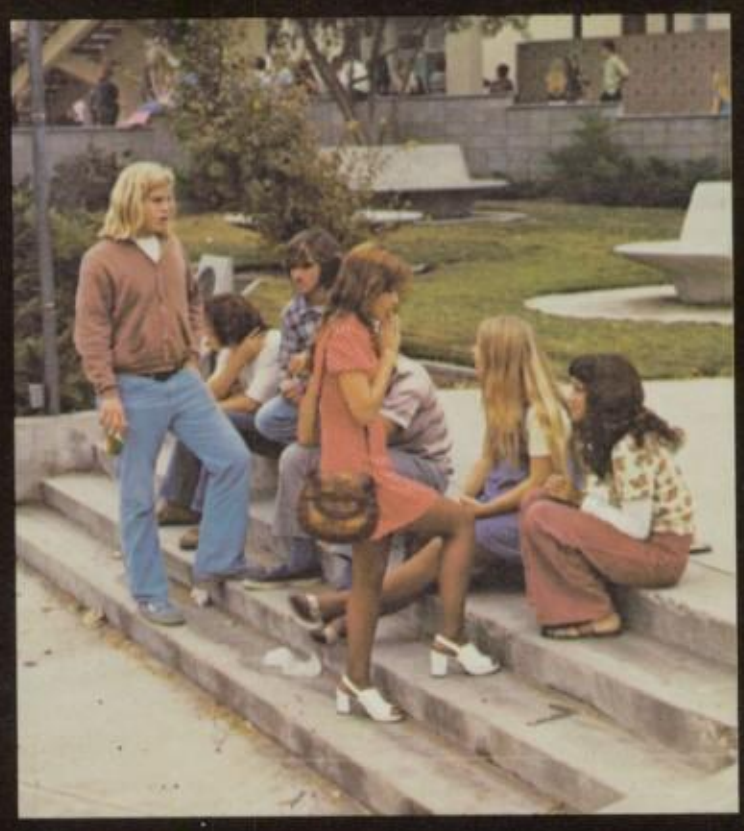
Seedlings turn overnight

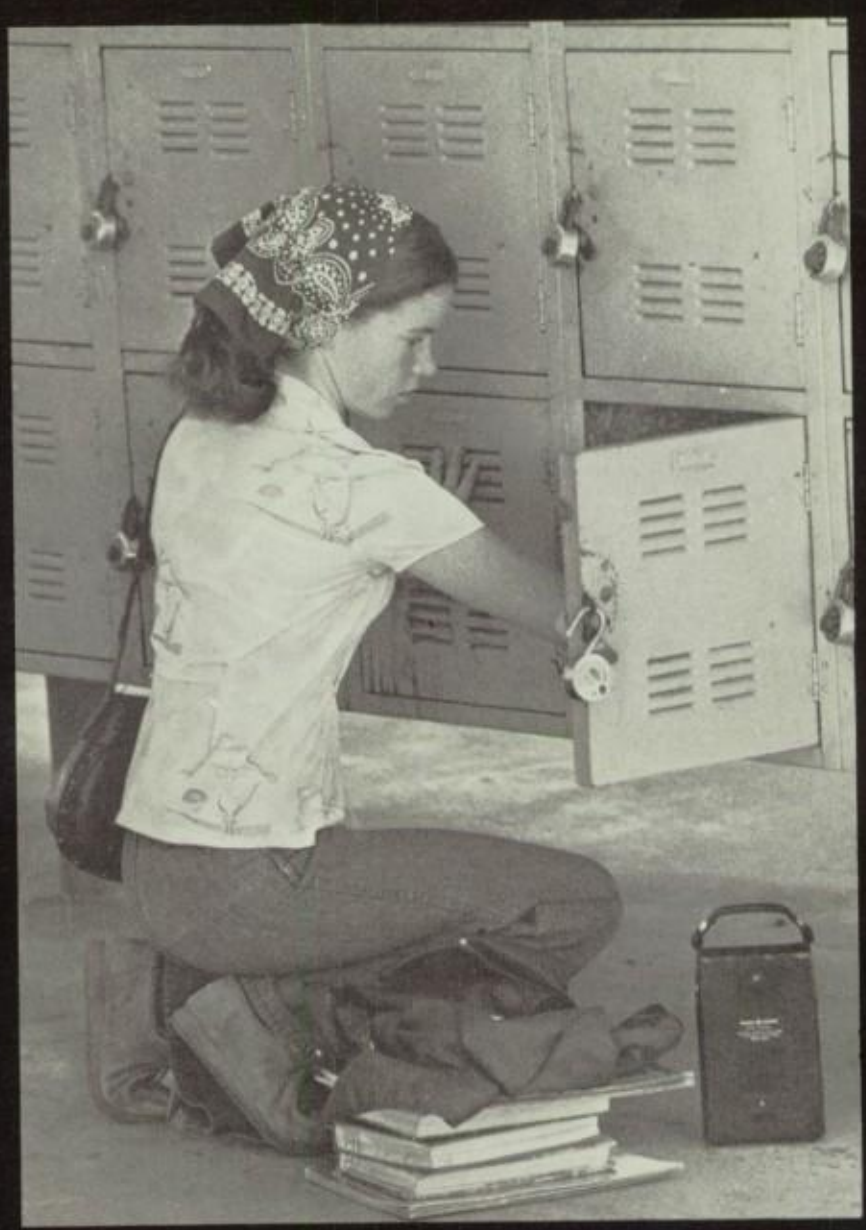


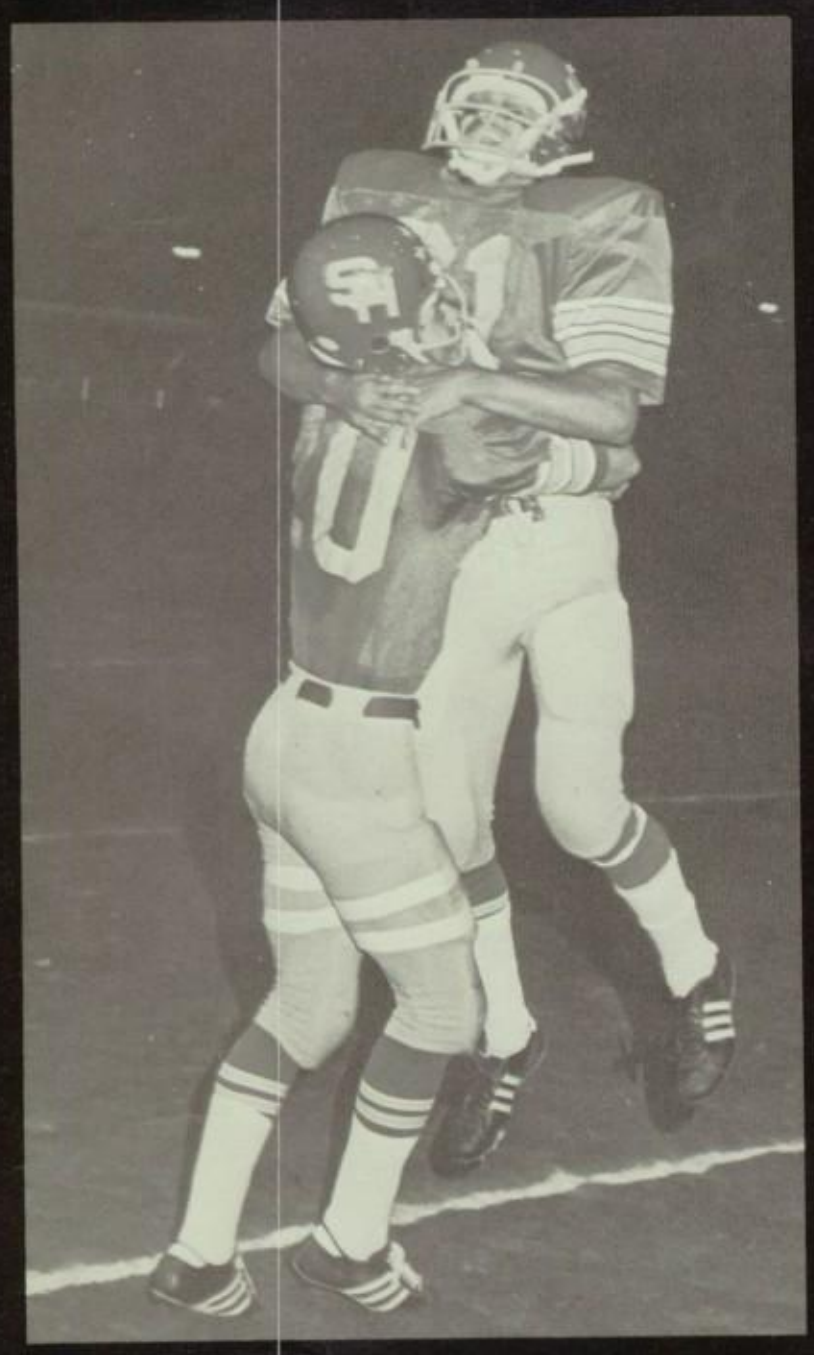
to sunflowers



Blossoming

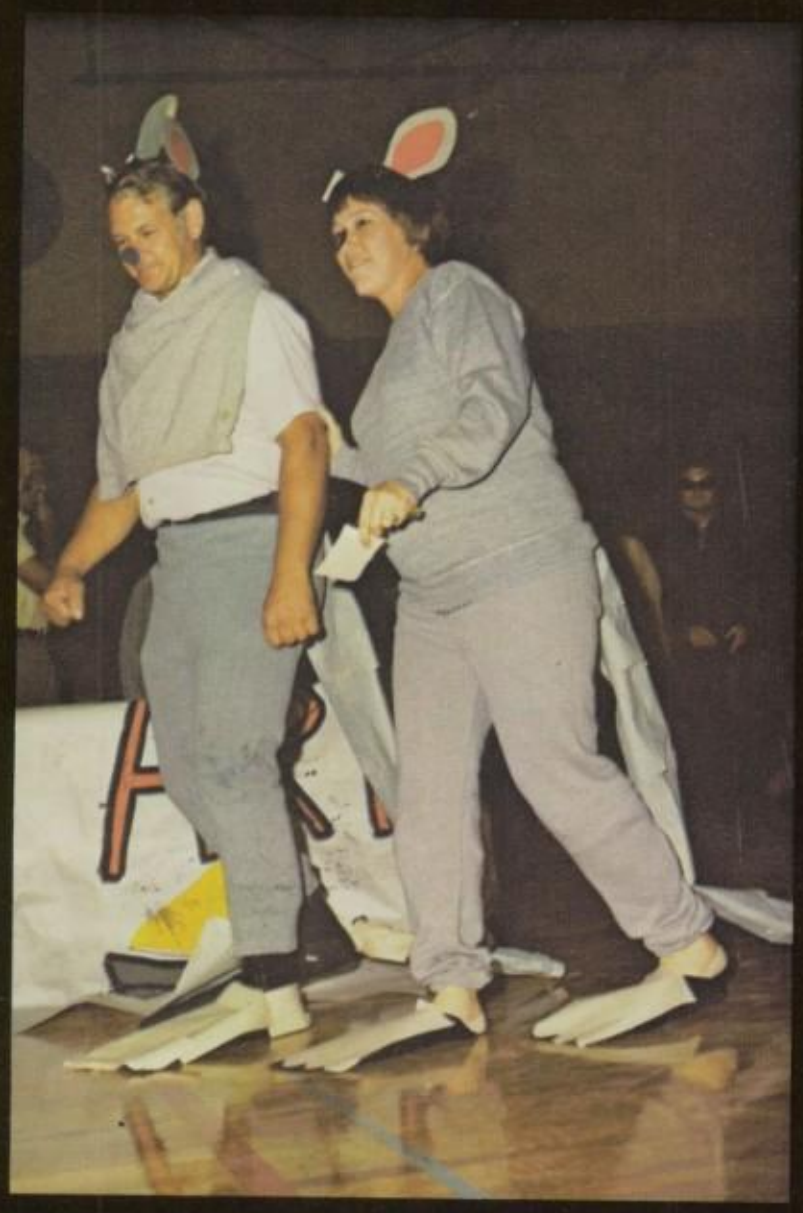
even as we gaze



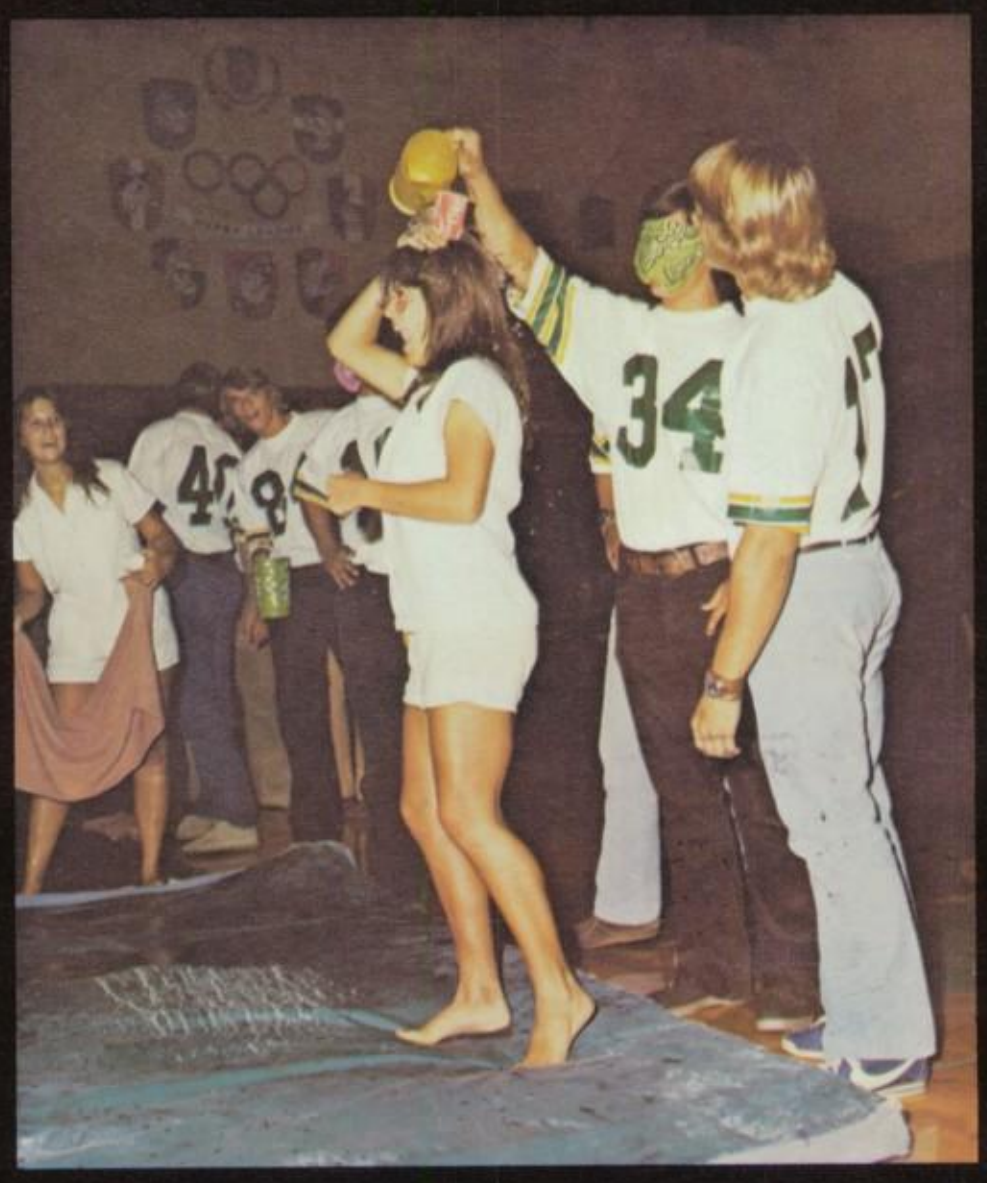


Making friends for the
world to see.
Let the people know you've
got what you need.
With a friend at hand,
you will see the light.
If your friends are there,
everything's all right.

Swiftly

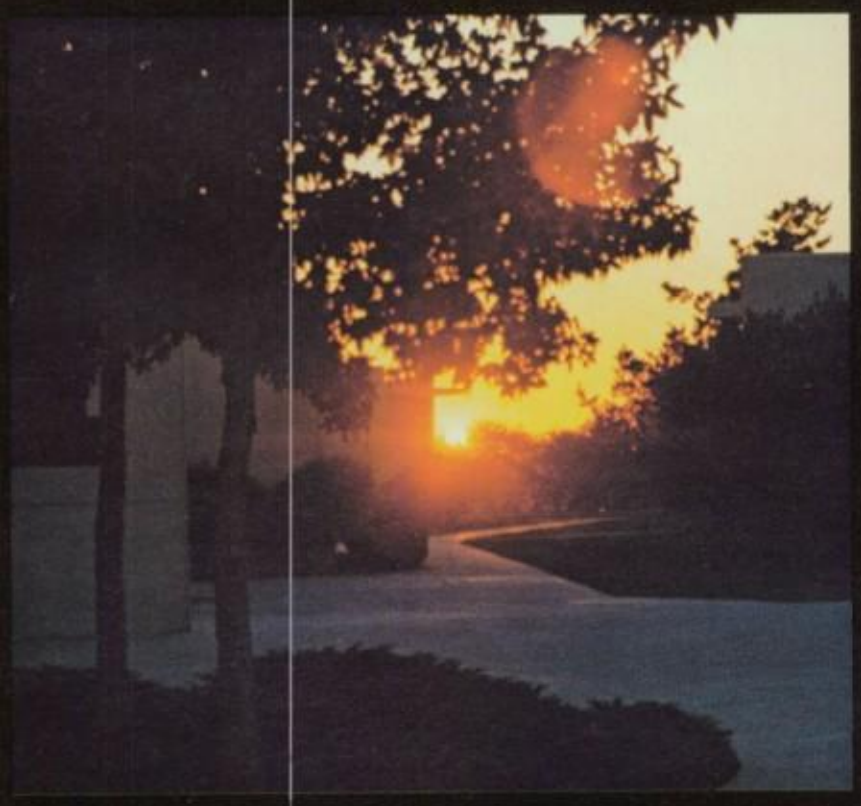


fly the years



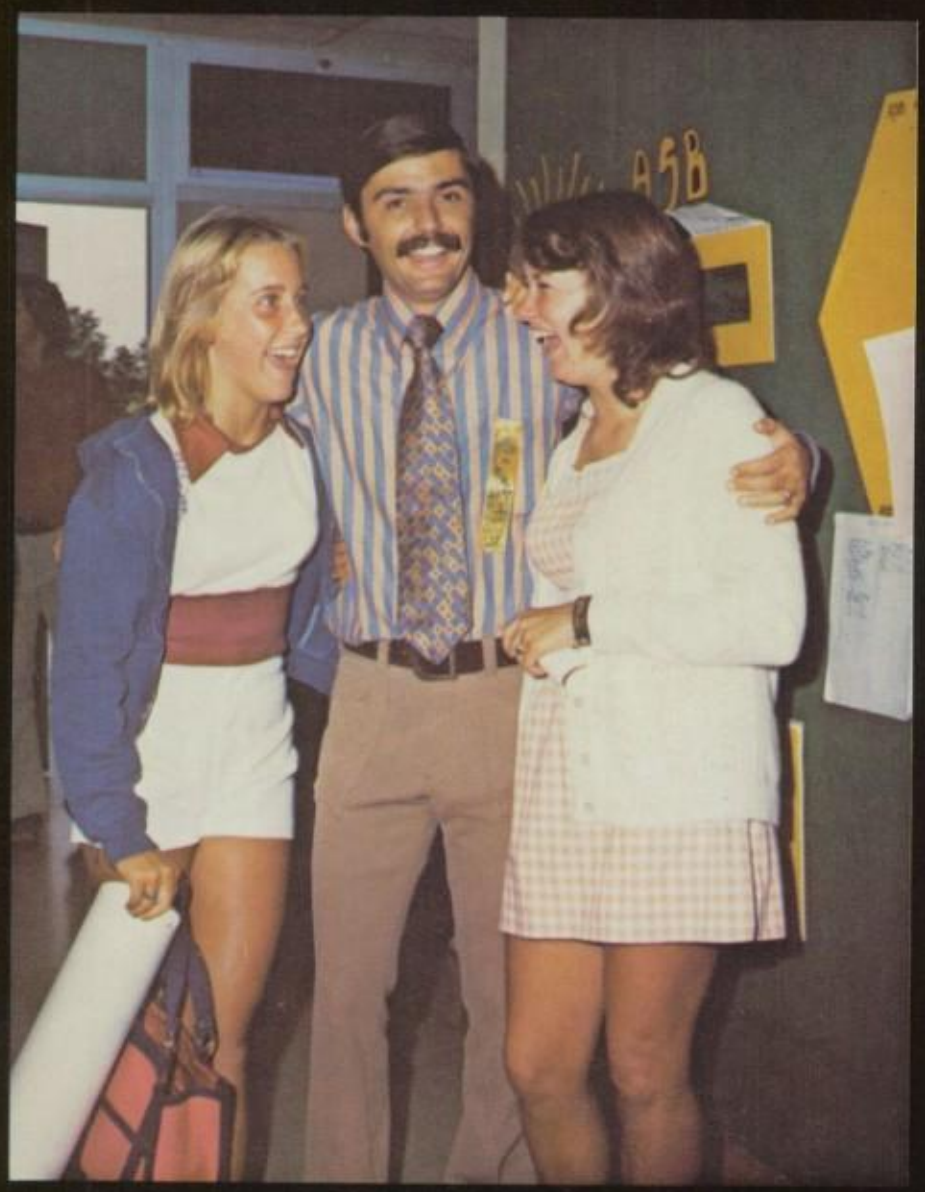
One season

following another

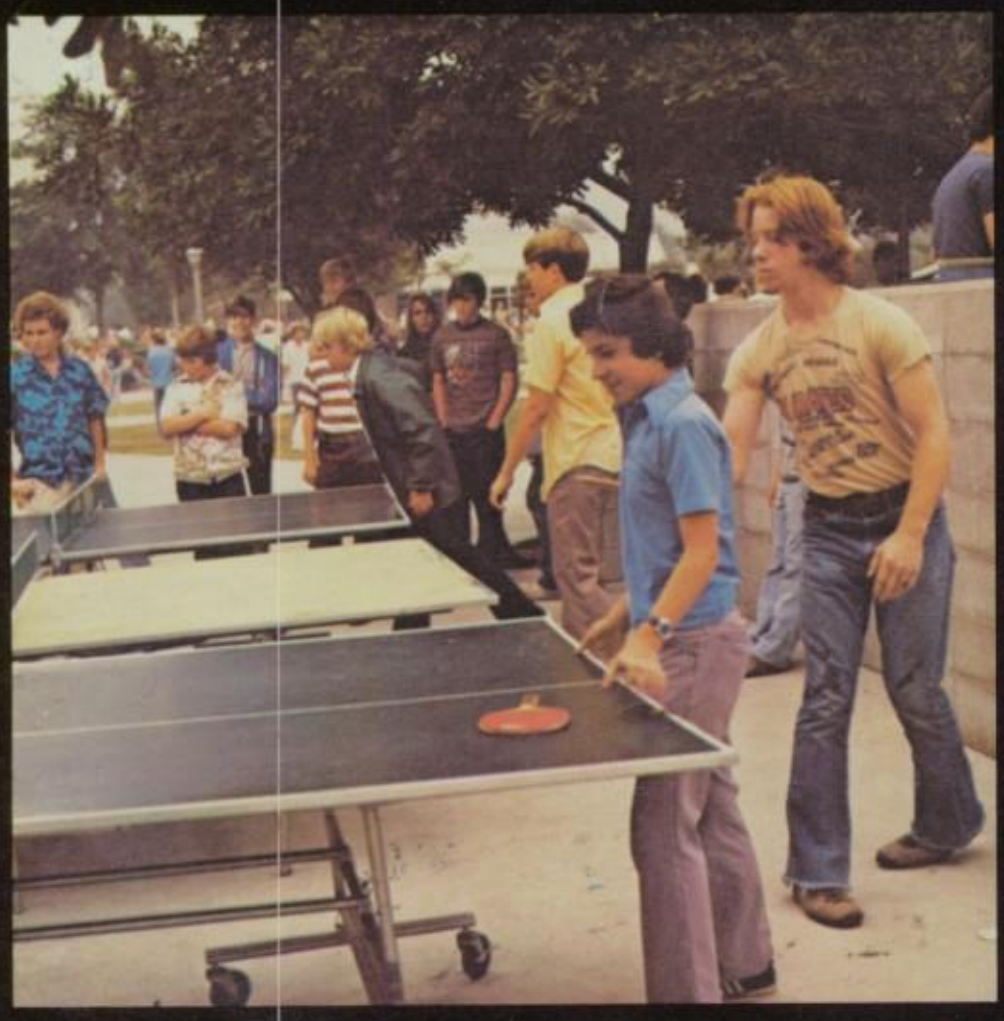


Think about time.
How it runs so fast,
stopping for no one.
For it belongs to the sun
and only the sun will
determine its destination.

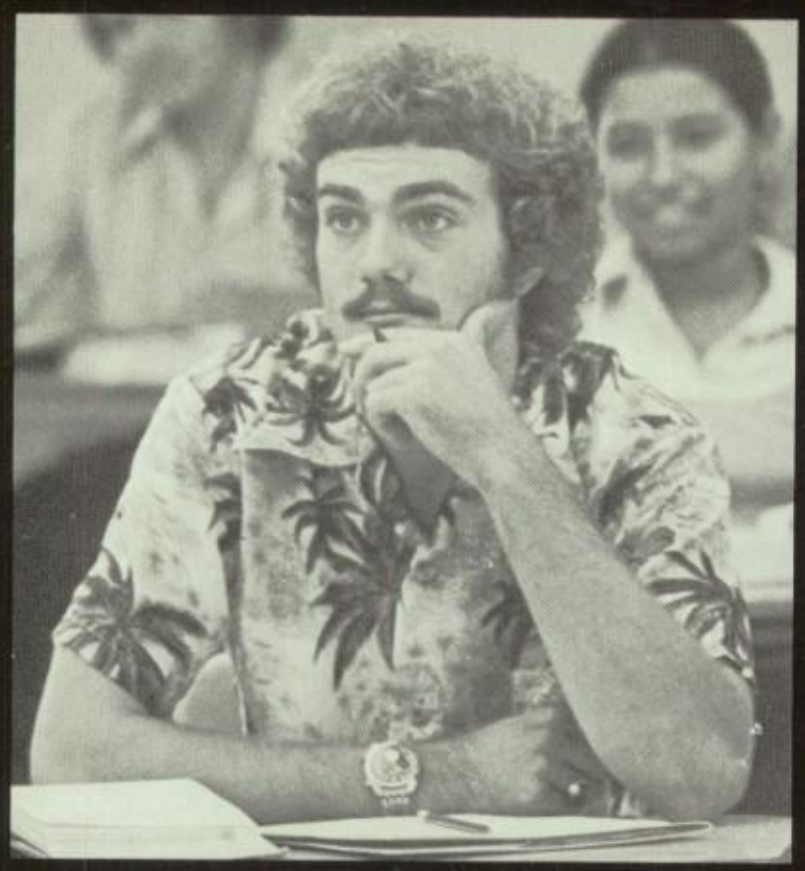
Laden with happiness

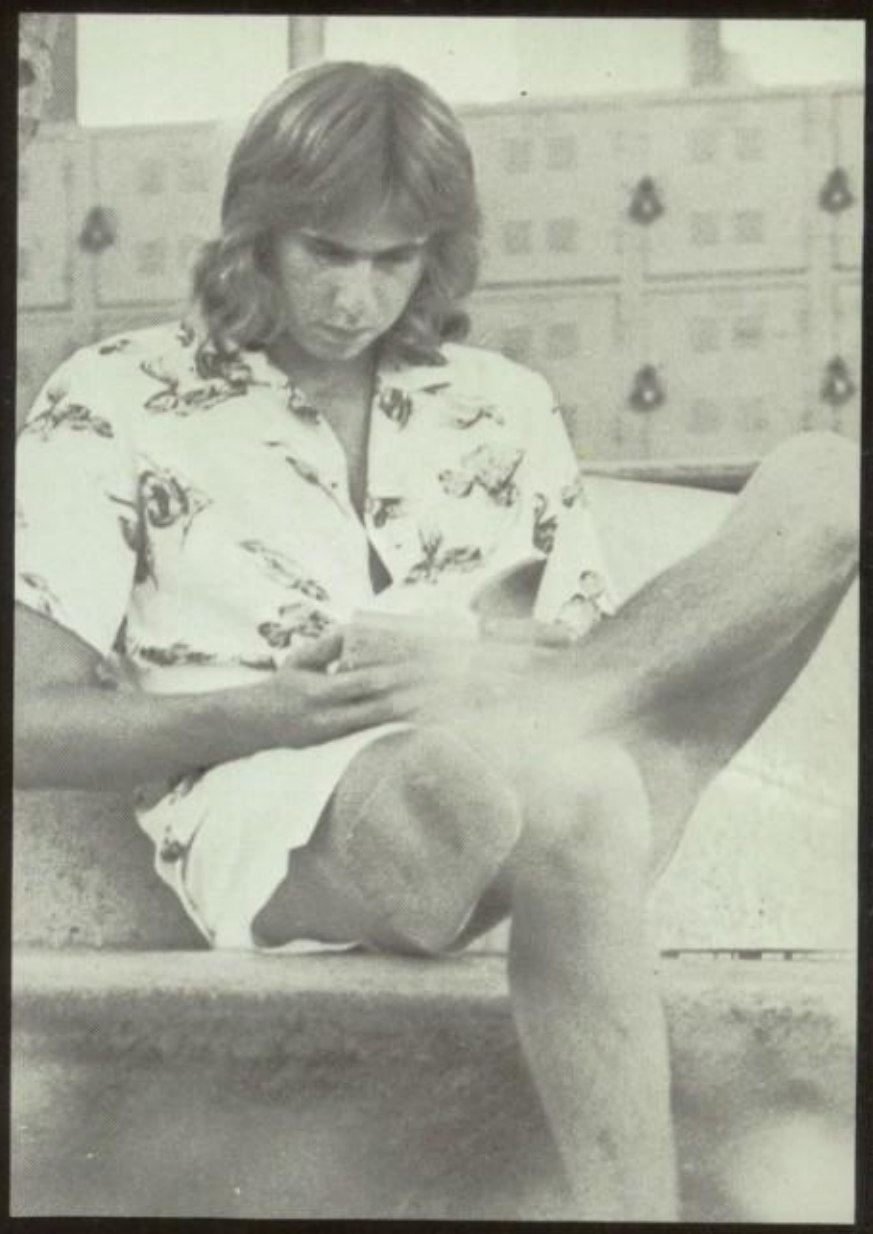


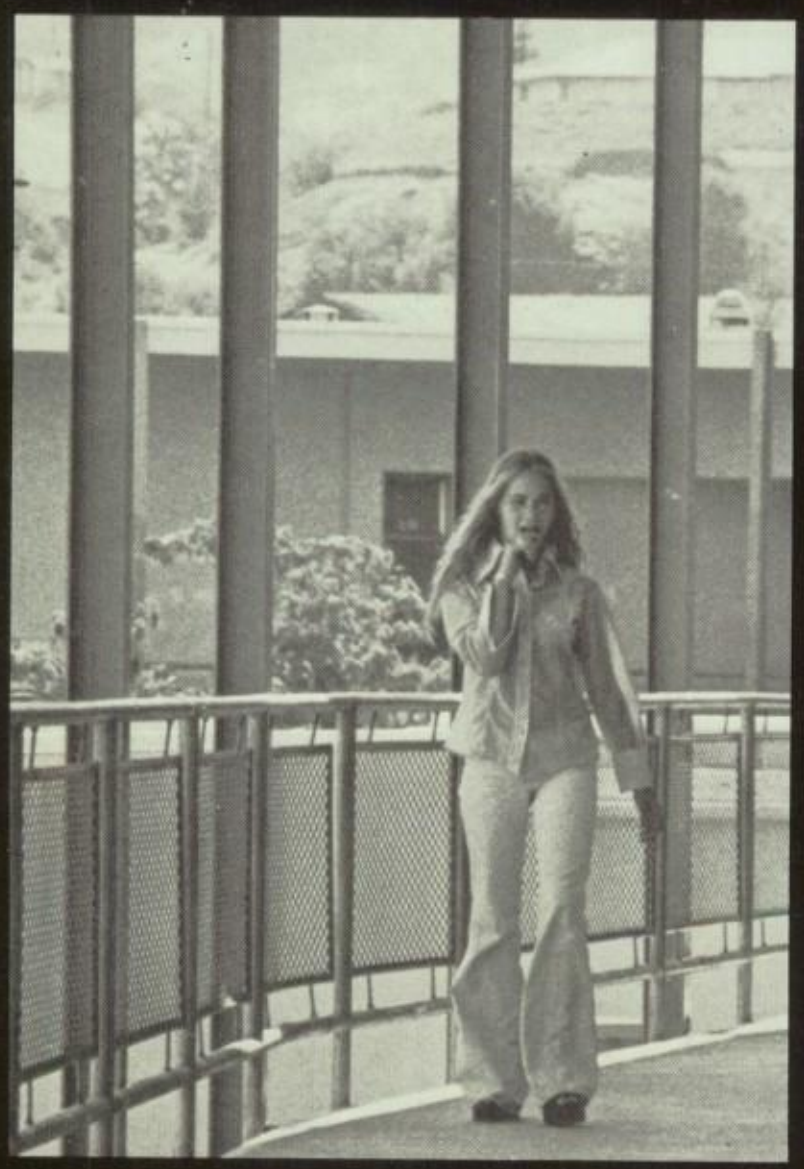
and tears



So many ways,





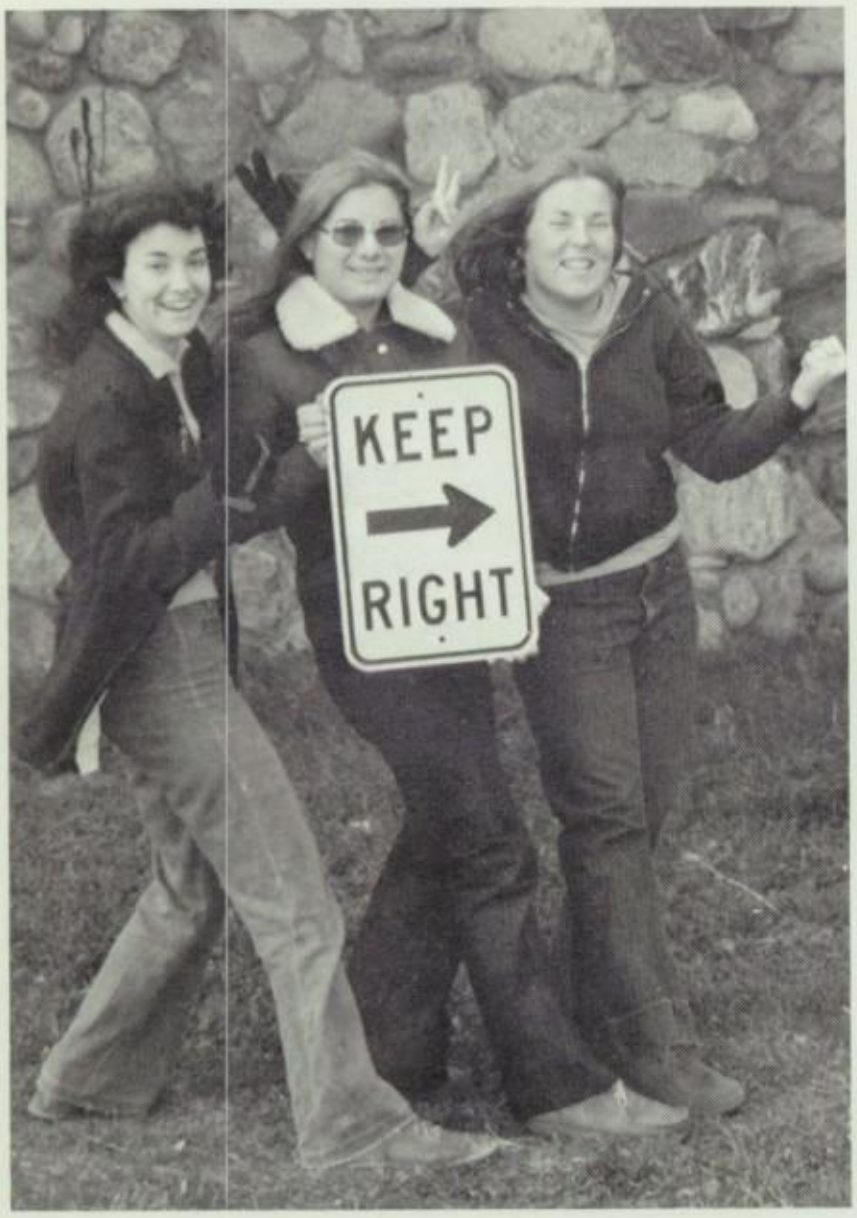


so many things to be

Reflections in the sunlight,
like shadows in my mind.
Speak to me of passing days
and nights and passing times.

Rejoicing in our differences,

there is no one just like me



Winkin', Blinkin', and Nod

Later with school!

R. C., anyone?

What did you say, camera man?

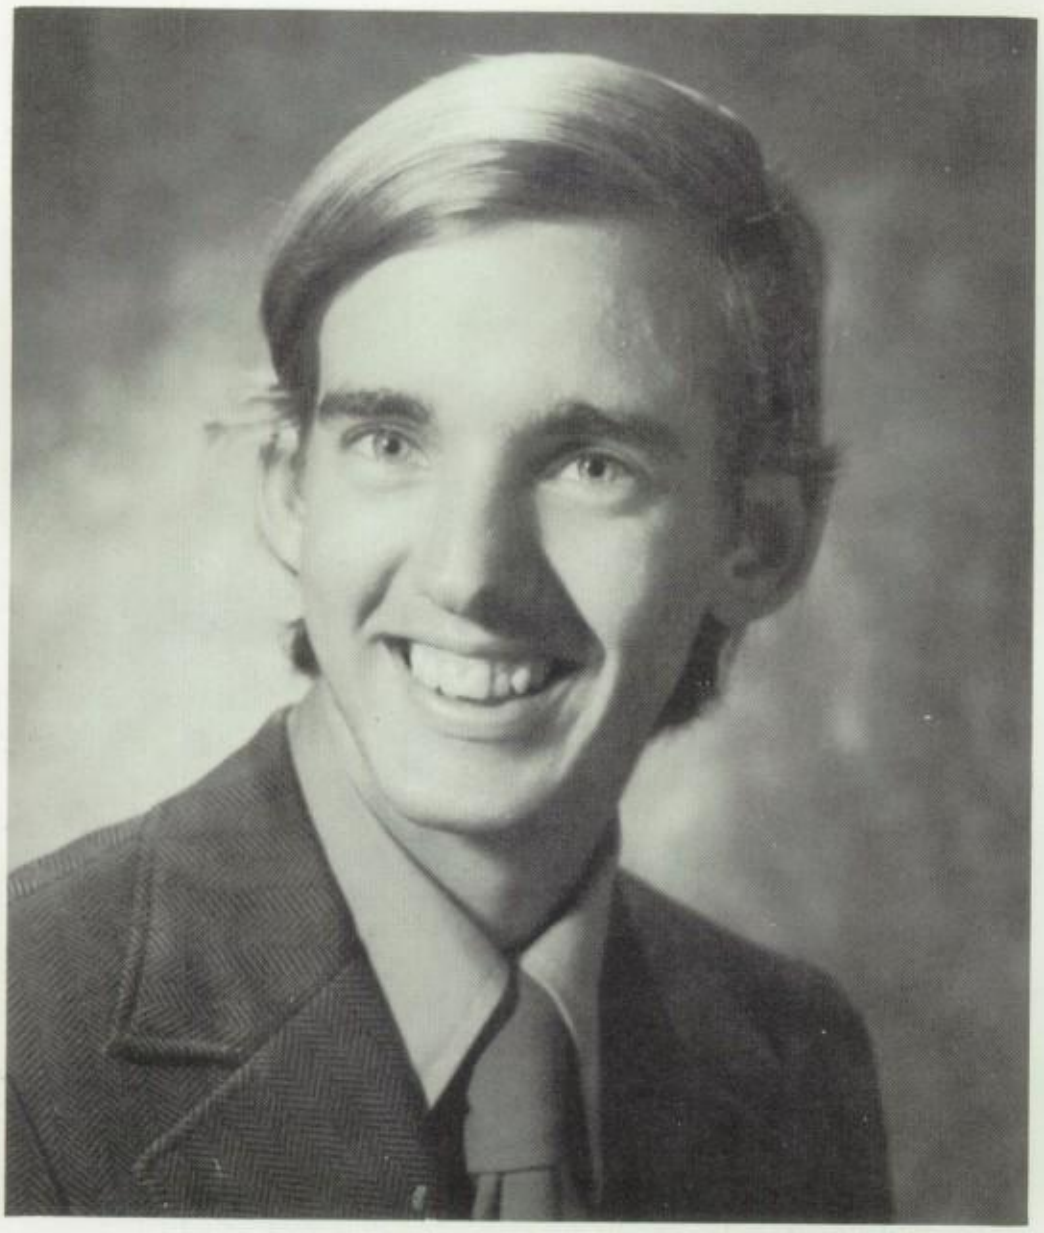
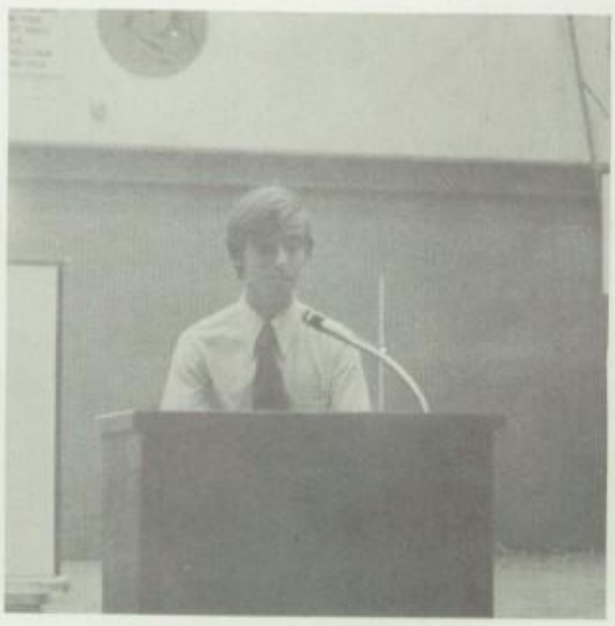
Bill and Dennis





ASB President

Involvement. That has been the key to our success this year. Where students became involved in what student government was doing, we had success.

I hope that it can be said that Dennis and I as leaders of student government stimulated involvement. No matter how hard we may have worked, if we have not made students more aware of ASB and what it can accomplish, then we have not fully succeeded.

I thank each one of you for the opportunity to lead your ASB. Thanks to all those who helped, especially Mr. Maruca. He is the student's best friend on campus.

May each of you find happiness and success in life.

Sincerely,

Bill Powers

ASB President

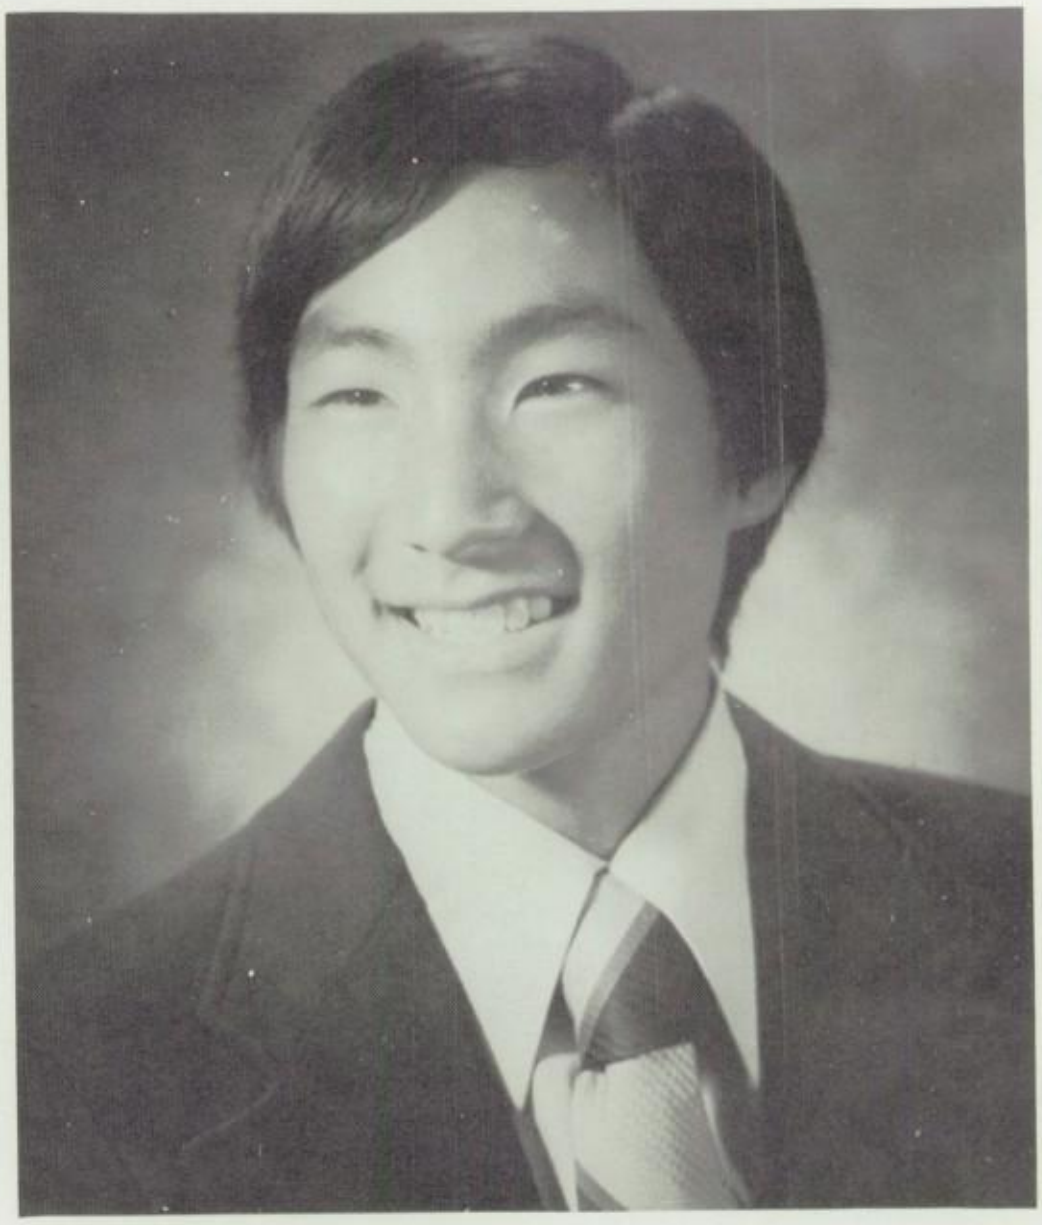
Lead ASB



ASB Vice President

This past year as ASB Vice President has been one full of learning and accomplishments. We have attempted to keep up with the needs and ideas of the student body.

It seems that involvement has always been the key factor of ASB. Getting the students to participate. Out of the four years that I have been here I hope that I have encouraged more involvement and student participation. I feel that Mr. Maruca, Bill, the ASB council and cabinet have all tried and worked to get more of the student body involved in the activities here at South Hills. I hope that we created this involvement and succeeded in getting more of the students to participate.

I am sure that most of you will look upon the 1974-75 school year as a successful one, full of various achievements, goals and new ideas.

I would like to thank each and everyone of you for giving me the opportunity to serve as your ASB Vice President.

Much luck and success to all of you in the future.

Sincerely,

Dennis Matsuo

Best Huskies,
My stay in California and S.H. has become one of the most exciting, interesting and rewarding experiences of my life-I have had a super great time! I have experienced a lot of things here, a new football team, the rallies, spirit week and the friendships I've made from all the students.

S.H. is a very nice school, the atmosphere is very relaxed, in a positive way, the school spirit is high, the student body is super and the teachers and coaches I have come in contact with were great. All these things make it easier to study and be around campus.

The football team was a great experience. When we started the climate was very hot; I didn't think that I could make it, but I had very patient coaches and the players were helpful to me, so I kept it up. Today I am very glad I didn't quit. We won the Sierra League and had the opportunity of going to CIF, something I've never known before.

Thank you all for making my time a really good one-I am sure I will never forget my stay at SOUTH HILLS. A special thanks to my family the Lou Millers (levis'n more) who took care of me like a son and made my life even greater.

Go Huskies!

Sincerely,

Johan Ling Vannerus

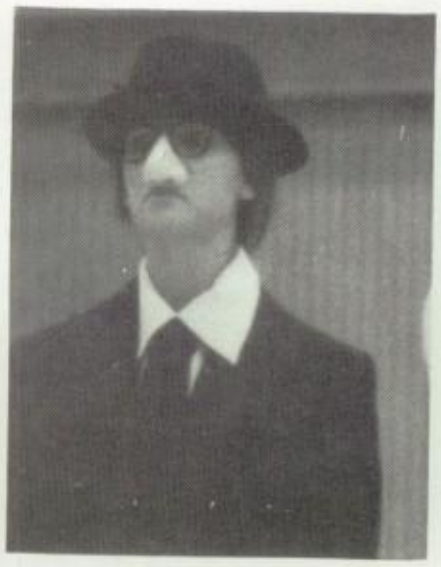
Huskies Shine On!



Oh, when the green and gold smash through the line,
We're gonna win this game
and that's the sign.
We're gonna fight, fight, fight, for victory,
Until our name goes down in history!
We're gonna cheer, cheer, cheer at every game,
Among the best you'll always
hear the name.
Among the best you'll always
hear the name, cheer the name,

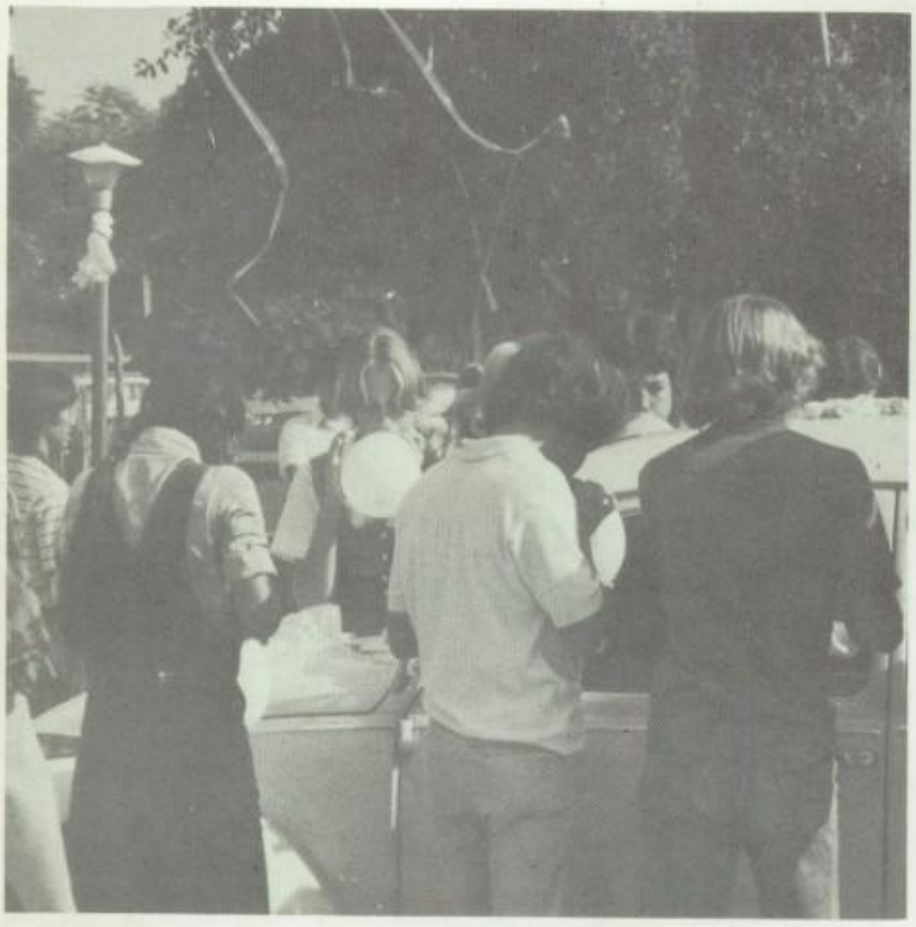
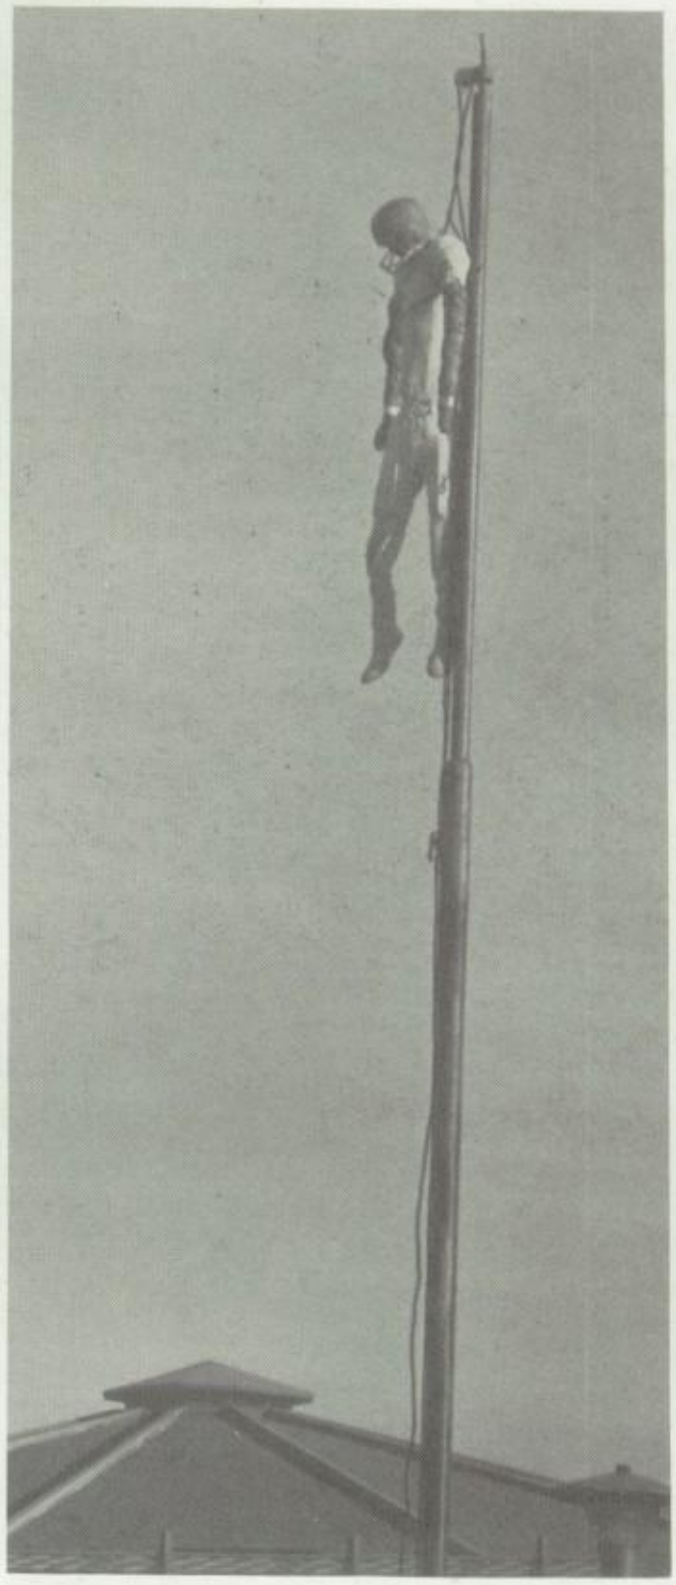
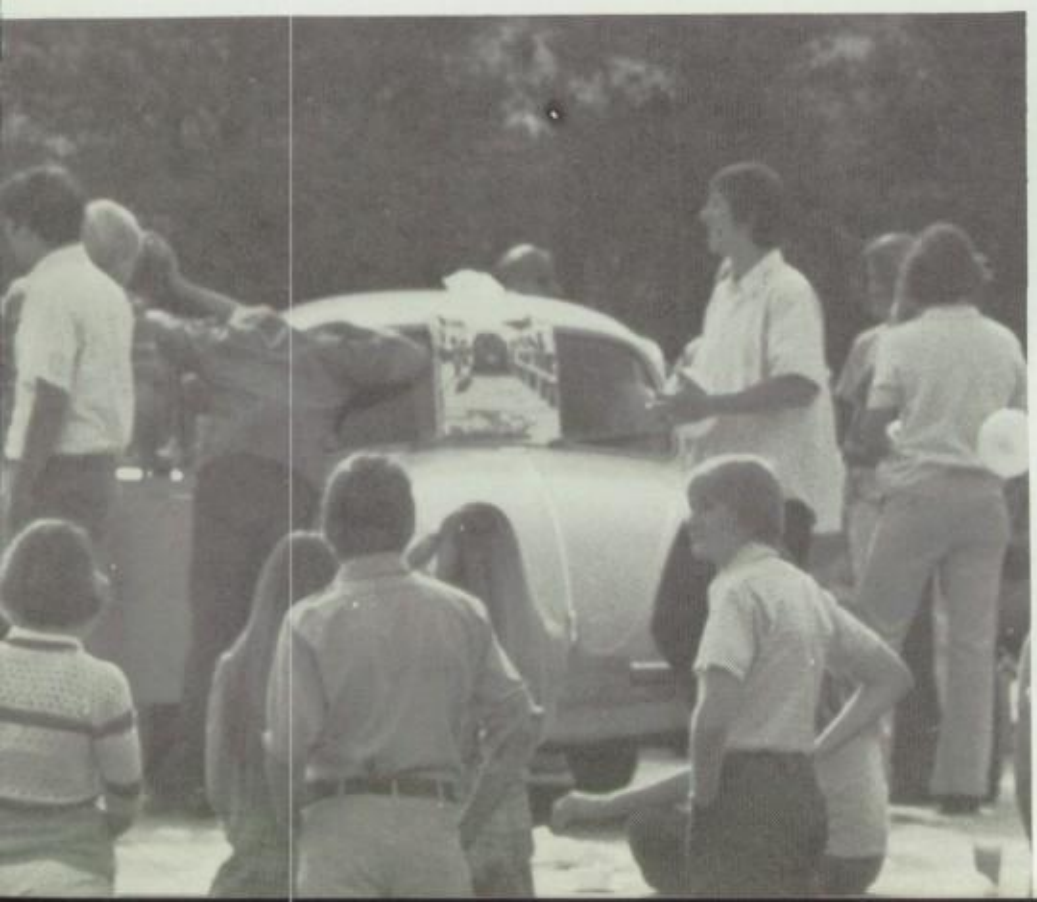
Our Spirit





Is Sky High



Spirit week was full of involvement. There was a wide variety of contests. A few were balloon stuffing, skateboard races, marshmallow toss, and a rock band at lunch to finish off the week.

The class competition was tough this year. All of the classes got involved and showed their spirit by decorating the school on specific days. The seniors and sophomores tied for first place, but after a run-off the sophomores became the final winners!

"Memories" was the theme of this year's Homecoming, coordinated under the direction of Julie Head. The five lovely girls were escorted by their fathers, after being driven onto the field in antique cars.

Green and gold balloons filled the air as Julie Head was crowned the 1974-75 Homecoming Queen.

The dance after the football game was held in the Student Center and turned out to be a memorable evening for returning alumni, as well as everyone else who attended.

Christmas Ball
1974

December 14, 1974, was nothing but the perfect date for our annual Christmas Ball. It was held at the Azusa Women's Club which was decorated with the spirit of Christmas. The dance was sponsored by the Ionians whose main goal each year is to put on a successful Christmas Ball. This year the Ionians were also honored with a court who included: Janine Cox, Lisa Forslund, Amy Hall, Tammy Warren, and our Queen Leslie Rodney. The evening was a memorable one for all who attended.

Valentine's Ball 1975

This year the Elisian girls' club sponsored the Valentine's Ball which turned out to be a fun-filled occasion. The Ball was held at the San Marino Women's Club. The couples danced to the music of "Easy Feeling."

The girls on court were Claire Dezzutti, Tami Teal, Lara Margulies, Ronda Rose and Queen Patti O'Banion. Patti was crowned queen by Julie Head, the Elisian club president.

When the Valentine's Ball was over, it left fantastic memories for everyone who attended.

"The Man Who Came To Dinner"

November brought the South Hills Drama Department's production of "The Man Who Came To Dinner," a 1930's period piece by George S. Kaufman and Moss Hart. The play is based on the hectic lives of various entertainment figures of the day.

More specifically, it tells the tale of the Falstaffian Sheridan Whiteside, played by Stan Chervin, who is confined against his wishes in the conservative household of Earnest And Daisy Stanley. During Whiteside's stay with the Stanley's he had many unusual habits and visitors the Stanley's had to cope with.

Also featured were Marti Blumenthal as sexy Lorraine Sheldon, Julie Lobosky as Maggie, Whiteside's strong-willed secretary, and Tom Curl as Bert Jefferson, the reporter who falls for Maggie.

This fall production was under the direction of Miss Patti Valentine, as was the spring musical, "Fiddler on the Roof." Sets were designed and constructed by Miss Diane Wilson and Mr. Gary Skinner. Mrs. Carole Hargraves was the musical director for the spring performance.

Elisians

The Elisian Service Club offers service to the many organizations on campus, such as Choir, Drama, A.S.B., Athletics (Sports Banquets), and the P.T.A. Whenever anyone in the community needs help, you don't have to look hard to find an Elisian busy at work. We are known for our participation in such things as the Danny Thomas Teen March, the Drive for Muscular Distrophy, Eastland Christmas Tree decorating project, our annual Valentine's Ball (this year held at the San Marino Women's Club) and various community affairs.

This year we helped at Pacific State Hospital in Chino with the children there. We helped with the Christmas Seal project in Covina, and the new trash program. At Homecoming time Elisians were busy helping with the decorations and raising money for it.

Elisians helped with open house, as well as Back-to-School Night. We had a slumber party at the beginning of the school year.

All in all, we had a very good year, full of fun times and rewarding experiences. Each girl found the satisfaction of knowing she helped someone in some way and that her efforts were not in vain.

Ionians

Ionians is an all girl service club. Their main goal this year was planning the Christmas Ball "Snowflakes and Memories." Among their other activities this year they helped decorate for Homecoming, served at the Sports Banquets, acted as guides for the school plays and open house, and raised money for the ASB by participating in the Bike-a-Thon. The girls also collected donations for Muscular Dystrophy and stuffed envelopes with Christmas Seals. To become a member of Ionians, girls have to fill out an application, and if accepted they have to go through initiation. This year's new members had to wear 50's costumes to one of the football games.

Saracens Serve Our School and Community

This year the Saracens have participated in a number of school activities. These activities included the once a year senior fountain fix-up, a concert raffle, badminton tournament, helping at football games, class softball game, and sponsoring a dance. The club has grown smaller than in previous years but this gives the club a chance to prove how hard they can work. The senior fountain fix-up is now a tradition with the Saracens and is carried out every year. The Saracens have nominated a choice for the different courts during the year and have often picked the winning choice. The officers elected this year are: President-Earl Neconie, Vice-President-Terry Moore, Sargent at Arms-Mike Good.

Tyranns Help In School Activities

The Tyranns this year gained a little in size, having approximately fifteen members. In general, the Tyranns have spent time and effort serving our campus. During the year the Tyranns have sponsored a dance, helped in sports activities, had a food drive, and have participated in spirit week events. The club, besides giving school service, tried to promote school spirit and became involved in community affairs. The Tyranns with their ever-increasing involvement in the school and the community, have continued to become more of a credit to South Hills.

Varsity Club

The Varsity Club's main project and goal for this past year was to provide equipment for all of the sports. They earned a lot of money for this equipment by placing a coke machine in the boys' gym. Their other fund raising activities included having a car wash and hiring themselves out to people who needed yard work done. The Annual Activity held was the faculty luncheon during Spring Spirit Week.

Water Polo Club

The goal of the Water Polo Club is to expose the students of South Hills to this sport, and eventually to grow into a school team sport from a club. The members practiced at MSAC at least three times a week and played against experienced high schools in this valley. This club has given its members the basic knowledge and tactics of Water Polo and an opportunity to put these into work.

Ski Club

This year the Ski Club had many members. It is not necessary that students know how to ski or own their own equipment to join, although many do. This past year was the first year that the Ski Club has included water skiing as well as snow skiing in its activities. This stimulated interest and membership. The Club held various fund raising activities such as a Bake Sale and selling candy during Spirit Week.

M.A.D.D.

This year the M.A.D.D. Club was the best we've ever had, as we were very active. Some of our activities included our Spring Folk Dance and our traditional breakfasts in the library were very successful, offering many talented students as entertainment. Our thanks again to Mrs. Robinson for advising us.

Art

Once again the Art Club enjoyed a large membership. We had many projects throughout the year, such as our annual Christmas Tree at Eastland. The Art Club is a group of talented students interested in all types of art.

Led by Mr. deWet, we enjoyed a lot of good times and fun projects.

The Drama Club is made up of those interested in drama, who do not have enough points or hours to become a Thespian. They work on the plays and props, as well as make-up and ticket sales. C.S.F.

The California Scholarship Federation is an honorary scholarship club. Members must re-apply each semester. Members who have been in the club three semesters receive a pin and a special seal on their diploma upon graduation. Sealbearers are eligible for several special scholarships. This year CSF members visited several college campuses; among them was UCLA where they were invited to attend a football game.

Quill and Scroll is an International Honorary Society for High School Journalists. This is an honorary society, not an active club. To be accepted, members must be a junior or senior in the top third of their class. They also have to be in one of the journalism classes. At South Hills these would be Growl, Whimper, or Neomega.

The Home Ec. club is organized for girls interested in home oriented arts. Among their activities this year, they decorated a Christmas tree for the contest at the Eastland Shopping Center, they made stuffed animals for the HOPE House and they learned needlepoint.

The National Association of the Deaf is an organization for deaf youth throughout the United States. The ultimate goal is that of getting all deaf Americans motivated to make maximum contributions to the community and to become all that they are meant to be by contributing their best efforts to their communities and their country.

Pep Club Shows Spirit

The Pep Club's goal as in previous years is to promote more school spirit. The members have been busy supplying posters for rallies and games. They have also sold confetti and pompoms at the basketball games. With help from Mr. Maruca, the advisor, the club with its large membership has lived up to its goal. Last year there was not a club but this year the Pep Club has come back in full strength. The officers chosen for this year are: President-Angela Zack, Vice-President-Missy Curl, Secretary-Teri Joens, Treasurer-Molly Weegar, and Sargent at Arms-Marilyn Weber. The Pep Club has had a very successful year in gaining the support and spirit of our school.

Computer Programs The Future

This club has members with the future in mind. These students have a keen interest in computer technology and the workings within it. As in the past the club has enjoyed the use of Mount San Antonio Junior College's computers. The club has remained small as in the past years but lack of members has created no problems. It has simply kept the club small and efficient as any computer club would want to be. The Computer Club feels that computerization is the wave and hope of the future of our society. The members like to keep their minds keen and active and computer technology and programming do this very well. Many of the members excel in Math or Science and take an extreme interest in these subjects.

Moto-X

A new exciting club on campus, it provides competition among other schools and students. The Orange County Raceway is often used along with other courses for races. Once thought of as a sport mainly for the guys, the girls have now joined the scene and really enjoy competing in races. Dirt bikes are used on courses of rough terrain such as desert and hills. This year the club hopes to win a few races against other schools as they did last year. The members really enjoy this sport and many have chosen it as their hobby.

Rubber Ducky Society

This is a new large club on campus created as a co-ed service club. This year's activities included sponsoring a dance, putting out a newspaper, and washing a 747 jet airliner. They have also helped out the Powderpuff football team by providing the entertaining kazoo band. This club has an amusing name but the club is hoping on keeping the interest of the students and becoming one of the more popular clubs.

Varsity basketball has had its ups and downs but hopes to put it together before the second round of League. Highlights of the year have been victories over Chino and Chaffey plus winning the Consolation Championship at Temple City. Two close losses to Los Altos (double overtime) and West Covina (by one point) have hurt the Huskies play-off chances. At the time of this writing Bob Gregg, Rich Garwacki, and Fenton Harvey have been consistent Husky performers. George Nichols' last second shot gave the Varsity a win over Glendora, 60-58.

Track 75

1975 saw the review of the field event to the South Hills Track Team. A number of good, young athletes, plus the addition of Triple jump and Discus, has spurred interest in this area of the track program. Depth is lacking in the sprint-hurdle group at the Varsity level, but several underclassmen have the potential to fill in the gaps by next year. The distance team also lacks the depth necessary to help make the team a title contender. As always, however, South Hills has several individuals who rank with the top athletes in the league and will help make 1975 a successful season.

With six lettermen returning, plus some talented newcomers, the Huskies could mount a serious challenge for the Sierra League championship. The strength of this team lies in its pitching, team speed, and defense. Returning starters include captain Rocky Buccola, 1974 MVP Earl Neconie, Doug Smith, Roger Poole, and Rob Westerlund. A 1973 starter Ron Cox returns along with newcomers John Bates, Jerry Bilotti, Bob Fazio, John Kirkgard, Keith Lynch, Kevin Lynch, Drew McConaughy, Vic Pistonetti, and Ron Stevens. Gymnastics

1975 saw S.H. with its first C.I.F. girls' gymnastics team. Coached by Mrs. MacKirdy, the girls worked very hard to make their first year successful. Because the Sierra League had only four girls' gymnastics teams, South Hills competed in the Hacienda League, in which eight other teams rivaled. South Hills is very proud of these girls because of the fortitude with which they have participated this past year.

The defending 1973 Sierra League Championship Football Team breezed through a very tough schedule in 1974, winning their second straight league crown. The Huskies went into CIF play with plenty of confidence and pride. The competition was outstanding as the team met and defeated five straight league champions to become the 4-A Champions for 1974. It was the all-around play of Brian Bethke, the outstanding efforts of a great group of seniors and the dedicated coaching of Steve Arkle, Ken Diebold, Jack Nemzek and Jim Jones, that made our team the finest high school football team in Southern California.

"Today is mine. It is unique. Nobody in the world has one exactly like it. It holds the sum of all my past experiences and all my future potential. I can fill it with joyous moments or ruin it with fruitless worry. If painful recollections of the past come into my mind, or frightening thoughts of the future, I can put them away. They cannot spoil today for me."

OH SOUTH HILLS HIGH WE LOVE SO WELL.
THE SCHOOL WE HOLD SO DEAR.
THE FOND THOUGHTS OF THE GREEN AND GOLD,
STAYING THROUGH EACH PASSING YEAR.
AND THOUGH WE GO OUR SEPARATE WAYS.
OUR MEMORIES WE WILL HOLD.
WE WON'T FORGET DEAR SOUTH HILLS HIGH,
WE'LL REMEMBER THE GREEN AND GOLD.
